Resurfacing Project along Wolf Road from Rand Road to Golf Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that temporary lane closures will take place along Wolf Road from Rand Road (U.S. 12) to Golf Road (Illinois 58), in Des Plaines, for a resurfacing project, beginning, weather permitting, Monday, April 10.

In order to complete the work, temporary, intermittent lane closures will take place in both directions of Wolf Road between Rand Road and Golf Road, as necessary. The lane closures will take place between 9 a.m. to 4 p.m.

The scope of the project includes resurfacing, curb and gutter replacement and placement of new pavement markings. The project is expected to be completed in Spring 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
